- **Software Skills** : Visual Studio Code, Github

Position Of Responsibility

Coordinator At E-Cell

September 2022

Responsibilities of Organizing Shows and Speech

Extracurricular Activities

Youtuber ([CodeGenius_Riya](#))

January 2022-Present

Fueled by the belief that teaching solidifies understanding, I launched a YouTube channel dedicated to decoding Leetcode challenges. With a view to expedite the learning journey, my tutorials have reached over **15,000** learners, enabling them to navigate the complexities of coding interviews with greater ease.
